

National Context:

The government is providing additional funding to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - is allocated to primary schools to make additional and sustainable improvements to the quality of PE and sport they offer. This means the funding can be used to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

At Pathway we recognise the significant contribution of PE to the health and well-being of all children. In addition, we believe that an innovative and varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

At Pathways our aim is to create a high quality physical education environment, which offers our children the opportunity to develop fundamental skills that inspires all pupils to succeed in competitive sport in and out of school. We endeavor to give children the platform to become physically confident, to embed values, respect and fairness and to encourage them to lead healthy active lives.

PE and Sport should be fun and fully inclusive regardless of sporting ability or SEN need.
Our Aims For Our Funding:

- a) Increase participation rates in sport in our Academy
- b) Provide competition against other schools
- c) Ensure provision is inclusive, wide ranging and provides alternative sporting activities
- d) Ensure effective partnerships and links with other schools and the local community
- e) Link sport with other areas of the curriculum
- f) Provide greater awareness about the benefits of activities that undermine pupils' health.

How is the Pupil PE and Sport Funding being used?

No of pupils and amount of Grant received	
Total number of pupils on role in Years 1-6	422
Sports Premium - £16,000 plus £10 per pupil	£20,220
Additional funding by E-ACT Pathways Academy	£55
Total spend on targeted development areas	£20,275

Proposal of Sports funding spending 2017 – 2018
