

## E-ACT PATHWAYS ACADEMY Pupil PE and Sport Funding Premium Report 2018/19

### **National Context:**

The Sports Premium Funding is an initiative facilitated by the current Government to enhance the provision of P.E. and School Sport in primary schools. The funding, a direct response to London 2012, has been available to primary schools since 2013-2014 and will be until 2020. Each year, primary schools receive a lump sum depending on the number of pupils on roll and then a further £10.00 per pupil on roll. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - is allocated to primary schools to make additional and sustainable improvements to the quality of PE and sport they offer.

At Pathway we recognise the significant contribution of PE to the health and well-being of all children. In addition, we believe that an innovative and varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children. Subsequently, the Academy have committed to employing 2 PE Specialists to ensure our children receive the best sporting offer possible.

It is the aims of the specialists at Pathways to deliver high quality physical education, which offers our children the opportunity to develop fundamental skills that inspires all pupils to succeed in competitive sport in and out of school. Pathways endeavor to give children the platform to become physically confident, develop cognitive process and develop a respect for fair play and kindness. This is reflected through our Hand, Head, Heart assessment policy.

Pathways believe high quality physical education is vital in promoting lifelong positive habits towards exercise and physical activity. This year the whole school will embrace the 'Daily Mile' whilst a host of new extra-curricular clubs will encourage more and more children to participate in sport.

Pathways will look to strengthen links with external agencies to offer further opportunities for our children. We look forward to working closely with the Arches School Sport Partnership, Yorkshire Sport and the Sheffield Federation for School Sport.

PE and Sport should be fun and fully inclusive regardless of sporting ability or SEN need. This is echoed through the introduction of our Change4Life Initiative this year.

### **Our Aims for Our Funding for 2018/19:**

- a) To engage ALL children within the Academy with physical activity.**
- b) To increase competitive opportunities for children within the Academy.**
- c) To offer a broader range of sporting opportunities for ALL children within the Academy.**
- d) To ensure effective partnerships and links with other schools and the local community.**
- e) To develop Pupil Leadership through sport impacting on the Academy and the community.**

## How is the Pupil PE and Sport Funding being used?

No of pupils and amount of Grant received	
Total number of pupils on role in Years 1-6	422
Sports Premium - £16,000 plus £10 per pupil	£19990
<b>Total spend on targeted development areas</b>	<b>£19990</b>

**Proposal of Sports funding spending 2018 – 2019**

**To engage ALL children within the Academy with physical activity.**

<b>Key development areas</b>	<b>Type of work taking place</b>	<b>Cost</b>	<b>Desired Impact</b>
